

PASTOR'S REPORT

Name of Church _____

Date of Charge/Church Conference _____

Report completed by _____

In the Trinity Conference of the Global Methodist Church, we are grateful for local church pastors who are “called out from among God’s people for particular service to his church.” (Book of Doctrines and Disciplines ¶503).

While a pastor’s report is not required during a Church/Charge Conference, we recommend each pastor submit an account of their ministry to the church on at least an annual basis. The following questions can help you craft your report:

- What is your favorite moment in ministry from the past year that you can celebrate with the church?
- What is the Lord currently speaking to you about your personal discipleship?
- What is the Lord currently speaking to you about the ministry of the church?
- What are you currently praying about?
- Anything else you would like to mention:

Please use the form field on the following pages and to write your responses to the above questions.
